Introduction

The following pages list data for all known family members as of January 10, 2022.

This document reports the details of 143 individuals, of whom 72 are male and 71 are female. Of the 124 individuals with recorded birth and death dates, the average lifespan was 67 years. Of these, 62 males averaged 63.9 years, and 62 females averaged 70.2 years. The longest living male was Joseph Peyton Traylor (1885–1982), who died aged 96. The longest living female was Amanda R. Hamilton (1874–1976), who died aged 102.

Details included are based on my own research, verified by historical documents (when available) and correspondence with family members who had knowledge of the family lineage. Errors or omissions are my own mistakes, and I welcome corrections. Please – if there is something you see which is wrong, I really would like to know about it so I will not continue to perpetuate the error. You can write me at this postal or email address:
